Subject: Apology for the Mistake in Uploading the File for the Article Submission

Dear Editor in Chief JOURNAL OF ISLAMIC ARCHITECTURE

I am writing this letter to sincerely apologize for the mistake I made in uploading the file for the article submission titled "Relations between Islam and Locality: Typology and Morphology Study of the Wapauwe Ancient Mosque in Maluku." I deeply regret that the initial submission contained errors and was incomplete.

I humbly request your understanding and kindly ask you to disregard the first submission. I have rectified the mistake and am submitting a corrected version of the article as the second submission. I assure you that the revised article is complete and accurate, reflecting the thorough research conducted on the subject matter.

I genuinely apologize for any inconvenience caused due to this oversight. I understand the importance of maintaining the highest standards of professionalism and accuracy in academic submissions, and I assure you that such errors will not occur in the future.

Thank you for your understanding and consideration in this matter. I appreciate your time and attention. Please let me know if there are any further actions required on my part.

Once again, I extend my sincerest apologies for the mistake, and I hope that you can grant me the opportunity to rectify it.

Yours sincerely,

Muh Subair
